

What a wonderful week it is.

Have you ever been in a situation where you simply did not know what to do? Now, I'm not talking about at the grocery store trying to decide between chicken and beef. It is clear that beef wins. However, I am talking about those tough situations that you have to make in everyday life.

Maybe you have a project due at work and you do have time to complete it, what do you do? Maybe your boss has asked you to do something unethical or something against your beliefs, what do you do? Maybe you have got another job offer and you do not know whether to take it or not, what do you do? Scripture tells us in Proverbs 3:5, to trust in God with all our heart. Scripture tells in in Mark 11:22-24 that we should have faith in God. It reads, *"Have faith in God," Jesus answered. "I tell you the truth, if anyone says to this mountain, 'Go, throw yourself into the sea,' and does not doubt in his heart but believes that what he says will happen, it will be done for him. Therefore I tell you, whatever you ask for in prayer, believe that you have received it, and it will be yours."*

So as we go throughout this week remember that we can always go to the Lord in Prayer. Our Father wants us to ask Him what we should do in our situations. When we get into those tough decisions and do not know what to do, simply stop and ask God for His direction, read His word, and then have faith in Him.

As I watch Keenan and Rosalie get older I have become aware that they completely trust mommy and daddy. When we are in the pool swimming, Keenan likes being thrown back in forth in the air so the other one can catch him. Keenan has trust in mommy and daddy that we will catch him. In the same way, have trust and faith in our Heavenly Father that He will catch us when we are falling.

May God Bless You! Pastor Eric
